Commissioner for Patents

In response to Appellant's Replacement Appeal Brief filed 22 November 2006, note the following: the brief does not contain a statement of the status of all claims (e.g. rejected, allowed, withdrawn, objected to, canceled); see 37 CFR 41.37(c)(1)(iii). Specifically, the status of original claims 1-9 is not included in the "Status of Claims" section. Further, status identifiers (e.g. new, currently amended, etc.) should be omitted from the claims listing in the Claims Appendix. To avoid dismissal of the appeal, Appellant must file an amended brief or other appropriate correction in accordance with CFR 41.37.
